

# EViD<sup>®</sup> ★ Compact

The EViD Compact is VR's signature EViD station. The Compact comes equipped with everything needed to set up polling station check-in. Once up and running simply swipe a license or ID for instant voter look-up. Pollworkers like how easy it is to navigate the Compact screen and perform important functions like printing ballot tickets and updating addresses. Elections officials like its reliability and built-in security capabilities.

Unlike other pollbook options, EViD comes with a three-year warranty and 10-year lifecycle support, so you can feel confident in your equipment investment.

## Benefits:

- *Extremely rugged and durable*
- *Intuitive and easy to use*
- *Fully integrated thermal receipt printer*
- *Multiple networking options*
- *Optimized cases for efficient storage and deployment*
- *Comprehensive security built-in*
- *3-Year Warranty / 10-Year Life Cycle*
