# ELM Online Learning Platform
## *For Modern Elections Offices*

**ELM is an online worker training platform specifically geared to the unique needs of the elections industry.** Designed to accommodate a wide range of users and learning styles, ELM offers flexibility, ease of use and convenience to save time and resources.

With ELM, elections directors can gain more time to focus on running an election and elections workers can prepare in the manner they learn best.

### *Features:*

- *Customizable class and quiz modules.*

- *Intuitive student management tools to assign learners to classes, monitor student progress, and view course completion rates.*

- *Accessible 24/7 from almost any device with an internet connection.*

- *Cross-jurisdictional sharing library of training courses.*
