

# ELM Online Learning

*For 21st Century Elections*

ELM is an election worker training platform specifically geared to the unique needs of the elections industry. Designed to accommodate a wide range of users and learning styles, ELM offers flexibility, ease of use and convenience to save time and resources.

With ELM, elections directors can gain more time to focus on running an election and elections workers can prepare in the manner they learn best.

## Features:

- Customizable comprehensive training and learning modules
- Intuitive tools to assign classes, monitor class completion, pass/fail rates and compliance
- Web accessible
- ELM library, an online cross jurisdictional sharing portal
- Internal staff training and ramp-up

**LEARN MORE ABOUT ELM**

*“I love that I can add a student at the last minute and can see the questions being missed most frequently. This is exactly what I need.”*

*Dayna Causby, Director of Elections, Cleveland County, NC Board of Elections*
