

VRTower★

from VR Systems has you covered.

VR Systems' VRTower★ are for
Election Administrators who want a
great website that isn't a headache.

Easy-to-Maintain

With just a bit of training, anyone in
the elections office can make updates...
right away!

Custom Design

For a friendly, accessible look that's right for
your jurisdiction...not some cookie-cutter,
generic design.

Good Value

One annual fee covers everything...no extra
expenses for design and hosting...budget
once and you're done.

Scalable

To meet the ever-expanding expectations of
all your constituencies: voters...candidates...
parties...the press.

“Our website isn't just about public relations.
Today it's where we interact with voters,
candidates, the press.”

“Exactly. We need a solution that makes
communications easy and effective...with-
out consuming more scarce resources.”

“There has to be a more painless way
to post election results.”

“I need to update our
website now.”

“Our voters want to request a
mail ballot online...or see if the
elections office has received
their ballot.”

“And they expect more
election services on their
smartphones.”

See what VR Systems' **VRTower**★ can do for your office.

Embed your YouTube™ videos on web pages for poll worker training, communications with voters.

Candidate File Distribution

Easily provide absentee voter lists and other reports requested by candidates by posting to their account on your website.

Graphic Design Services

Create a look and feel that's unique to your jurisdiction and meets your voters' needs.

Complete Service in a single package:

All **VRTower**★ features are included in one purchase. Annual renewals and no lock-in to a long contract.

Handy Features

Facilitate communication with the public and the press:

Newsroom (links to press releases by year)

Calendar (upcoming dates and events)

“It's a great website and a great platform for us. We get lots of compliments from our voters.”

**SUSAN GILL, CITRUS COUNTY
SUPERVISOR OF ELECTIONS, FL**

Reliable Hosting Services

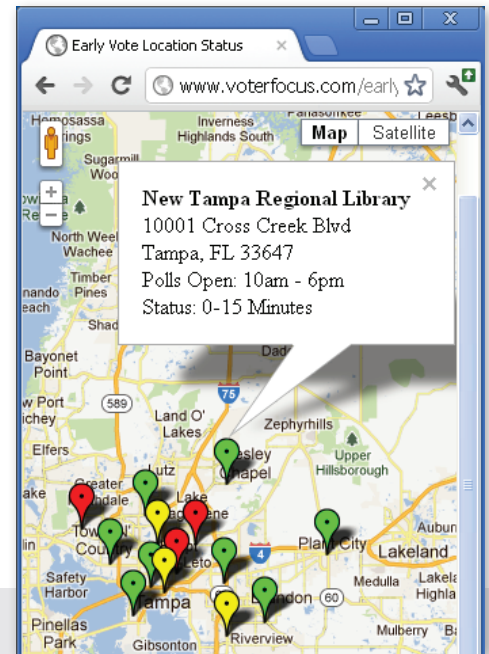

With our robust cluster of servers, we host your website securely with your current domain name.

Secure: Automatic security updates and firewall protection from hackers. You control who has permission to alter your website.

Powerful: Our bandwidth increases to meet your Election Day demands.

Early Voting Location and Status:

Shows voters maps to your early voting sites, with estimated wait times for voting.

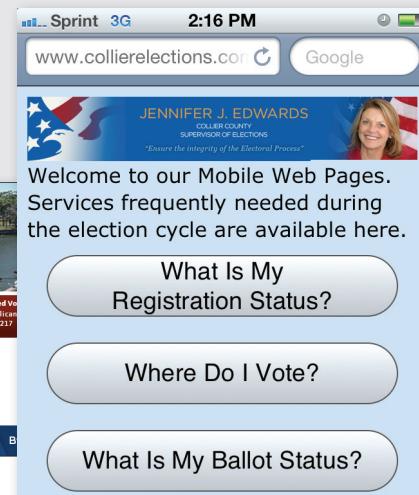

Turnout Statistics at a Glance

Graphs and pie charts show current local voting activity by party and by voting method—mail, early, provisional, and election day. Statistics are pulled automatically from your database. All you do is drop the service onto a webpage.

Voters-on-the-Go

Mobile-enabled version of your website offering essential services such as change of address, voter status, and mail-ballot request.

Absentee/Mail Ballot Request Form

Voters can request mail ballots online and requests flow into your system. No need to rekey the request data when putting on a request.

Absentee/Mail Ballot Request Form

Notice: Information provided on this form is exempt from public disclosure except that it is available upon request to canvassing boards, election officials, political parties, political committees, committees of continuous existence and candidates facing opposition in an upcoming election. (s. 101.62(3), F.S.)
